## Mission Statement

Our Mission Statement sets forth the beliefs, goals and purpose of Virginia Center for Family Relations. It provides clarity to the significance and meaning of our existence.

Virginia Center for Family Relations is dedicated to providing the most effective professional counseling services available.

**We** are motivated by the “love of neighbor” and a desire to bring renewal in the lives of those with whom we counsel.

**We** are devoted to search, understand and integrate Biblical norms for healthy lifestyles and relationships.

**We** are committed to continuing education, personal growth, research, counselors’ training and refinement of therapeutic skills.

**We** have a deep appreciation and respect for the value of each person, realizing that they have been created in God’s image.

**We** are committed to having a staff that practices the utmost honesty, integrity and professionalism.

**We** recognize our civic responsibility to be active, utilizing our gifts and talents to enhance and enrich our community.
